In Gen. E. Aguinaldo, Cavite, Special Education Program is still not yet fully available for Persons with Disability. It is why some of them have no choice but to study in a school with the usual curriculum.

This phenomenological study was conducted to describe the experiences of a Person with Disability who is studying in a high school with the usual curriculum rather than in Special Education Program.

The main sources of data were from the interviews participated in by a selected Person with Disability who is a student in Gen. E. Aguinaldo, Cavite, specifically Nazareth School of Gen. E. Aguinaldo. Litchman's 3Cs of qualitative data analysis was used to analyze and interpret the data gathered from the interview with the participant of the study. The three themes emerged from the experiences are: The Enemy, The Army, The Battle, and The Victory.
