**School: Gen. E. Aguinaldo National High School –Bailen**

**School Year: 2017-2018**

If you believe in ghosts, you are not alone. Cultures all around the world believe in spirits that survive death to live in another realm. Different people, cultures and beliefs is present all over the world but in comes of paranormal activities they are have the same beliefs that this supernatural beings is do really exist. Although there is no have right technology or enough proof that shows it is do really exist.

This collective case study was conducted to describe the experiences of students at Gen. E. Aguinaldo National High School – Bailen who experience unfamiliar presence during 2017.

The main sources of data were from the interviews participated in by selected students of Gen. E. Aguinaldo National High School – Bailen. Lichtman's 3Cs of qualitative data analysis was done to analyze and interpret the results of the study.

The four themes emerged from the experiences are: The Acceptance of the Experience, The Unexpected Cause of Experience, The Pillars of Successfulness and The Deep Part of Life.
