Subject Teacher: Mary Ann B. Gatpandan

School: Gen. E. Aguinaldo National High School-Bailen

School Year: 2018-2019

Every research leader has a responsibilities and obligations; they have a lot of experiences in conducting research. Those experiences enhanced their individual capacity and improved their knowledge and do better as well.

The phenomenological study was conducted to describe the experiences of Senior High School Research Leaders.

The main sources of data were from the interviews, participated with selected grade 12 students of Gen. E. Aguinaldo National High School. Litchman's 3Cs of qualitative data analysis was done to analyze and interpret the results of the study.

The four themes emerged from the experiences are: End of the Road, Escaped Route, The Finish Line, and Unexpected Victory. The researchers describe experiences of participants as follows: The Research Leaders Lucky, The Research Leaders Behavior, and The Research Leaders Satisfaction.
